Acts (Reformed Expository Commentary) Derek W. H. Thomas

The church in our time easily loses sight of her mission to witness to the resurrected Christ. Studying Acts identifies us with the early church and the way the gospel shaped her as she began witnessing in Judea and continuing, in concentric circles, "to the end of the earth." Acts reminds us that the story of the church remains incomplete—that there continues to this day an "Acts 29."

We face relentless opposition as our postmodern world mirrors the world of the apostles. Planting and growing churches in such an environment poses particular challenges. Nevertheless, Acts clearly demonstrates that no obstacle can withstand the power of the Holy Spirit. As he did in the early church, the Holy Spirit teaches us in Acts to "expect great things."

As are all the books in the Reformed Expository Commentary series, this exposition of Acts is accessible to both pastors and lay readers. Each volume in the series provides exposition that gives careful attention to the biblical text, is doctrinally Reformed, focuses on Christ through the lens of redemptive history, and applies the Bible to our contemporary setting.
