New Year's Dream Tyler May

One night. One wish....darkness disappears. If you could have one wish, what would it be? Christian thinks he has it all. Billy knows what he is missing. And Zander only wants one thing. Will their dreams come true? New Year's is a time for reflection, change, and resolution....that is, if you're human. In a vampire's world, New Year's is a time of birth. Once a year, vampires celebrate their existence, and it's going to be one hell of a party. With Christmas over, Christian prepares to celebrate with Zander for their first New Year together. Little does he know that Zander, with Billy's help, has other plans. The countdown has begun. New Year's dream is the second installment (novella) of Angel of Darkness. 18+ for language and sexual content. New Year's Dream is the continuation of Christian and Zander's story. It works better to have read Angel of Darkness first.
