#### **Nancy Steffen:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Remember When by Judith McNaught (1997-10-01) can make you experience more interested to read.
