Sallust (Sather Classical Lectures)

Ronald Syme

Sallust (Sather Classical Lectures) Ronald Syme

With this classic book, Sir Ronald Syme became the first historian of the twentieth century to place Sallust—whom Tacitus called the most brilliant Roman historian—in his social, political, and literary context. Scholars had considered Sallust to be a mere political hack or pamphleteer, but Syme's text makes important connections between the politics of the Republic and the literary achievement of the author to show Sallust as a historian unbiased by partisanship. In a new foreword, Ronald Mellor delivers one of the most thorough biographical essays of Sir Ronald Syme in English. He both places the book in the context of Syme's other works and details the progression of Sallustian studies since and as a result of Syme's work.
