Instead, she suffers unexpected heart problems, and finds herself in the office of a gorgeous cardiologist—who only makes her heart work harder. Brayden Hunter left his successful cardiology practice in Dallas to be closer to his aging parents. Focused on building a health care clinic in his hometown, he doesn't want any distractions. However, the beautiful Lana is one he can't seem to avoid. As their attraction grows, they stumble upon a 160-year-old mystery. Brayden catches her adventurous spirit as they chase after answers, and he can't help falling for her. But can he convince her to stay in the small beach town and with him?
