Sharing the value of a positive attitude in overcoming challenges and the importance of giving back, *Women Like Us: Illuminating the World* presents a collection of narratives about women from around the world who have changed their lives and the lives of others through their service and dedication. *Women Like Us* tells the stories of Deb Carlson of rural Alaska, who chose a life of hand-built structures, gardening, hiking, and living minimally while doing her part to develop her community; of Toni Lusk, a trailing corporate wife who found a way to make a difference and to give back despite moving often; and of Linda Grover—once a child of foster care, now a woman on a mission to create change in the system. Authors Linda Rendleman and Sally Brown Bassett salute and celebrate life-changing women by sharing a variety of uplifting vignettes, such as the journey of one woman who moved to Uganda and started a birthing center to support mothers with AIDS and another who helped to build a school in a Kenyan village. The messages communicated in *Women Like Us* serve to inspire and motivate women to find their passion, put purpose to that passion, contribute to creating a better world, and transform their own lives.
