Maisie Danger Brown just wanted to get away from home for a bit and see something new. She never intended to fall in love with a boy at space camp. And she certainly never intended to stumble into a frightening plot that just might destroy everything and everyone she cares about. But now there's no going back - Maisie's the only thing standing between danger and annihilation. She must become the hero the world needs, before she loses her heart . . . and her life.

Equal parts romance and action-adventure, this explosive story is sure to leave both longtime Shannon fans and avid sci-fi readers completely breathless.
