Welcome to Lesbia!

A world where warriors trade in flesh, witches are hunted by a hostile Imperial regime and goddesses knit. This is a land of magic, mystery, and matriarchy. Here, women rule with firm hands. Those who trespass against others are likely to be swiftly smacked to their senses, especially if there happens to be a witch about.

Our story begins with Atrocious Lex, a plucky peasant with aspirations to a life of crime. Her plans are cut short when, in the course of casing a forest home, she meets a witch named Ayla who claims to be three thousand years old.

Ayla is beautiful.

Ayla is seductive.

Ayla kidnaps Atrocious.

What Ayla doesn't know is that Atrocious is not just another pretty face. Atrocious is trouble – more trouble than one witch can handle, possibly more trouble than even a goddess can bear.

Come join Ayla, Atrocious, and a whole band of sapphic miscreants on an adventure to the very end of Lesbia.

OVER WITCH'S KNEE is a full length lesbian fantasy novel, written as Ther Renard by Loki Renard.
