Politics and Post-Colonial Theory: African Inflections

Pal Ahluwalia

Politics and Post-Colonial Theory: African Inflections Pal Ahluwalia

This groundbreaking book makes sense of the complexities and dynamics of post-colonial politics, illustrating how post-colonial theory has marginalised a huge part of its constituency, namely Africa.

Politics and Post-Colonial Theory traces how African identity has been constituted and reconstituted by examining issues such as:

- * negritude
- * the rise of nationalism
- * decolonisation.

The book also questions how helpful post-colonial analysis can be in understanding the complexities which define institutions including:

- * the nation-state
- * civil society
- * human rights
- * citizenship.

Politics and Post-colonial Theory bravely breaks down disciplinary boundaries. Its radical vision will be essential reading for all those engaged in Politics, post-colonial studies and African studies.
