35 Essential Items You Absolutely MUST Have To Survive A Disaster

When all hell breaks loose you do not want to be caught of guard and unprepared. Natural disaster and human conflict are two things that will always be a threat to your way of life. If you ever have to face the grim reality of survival, you know that it is not something to be taken lightly.

Every choice and action you take carries an immense weight. Sadly survival skills are not taught widespread, and the majority of people will be clueless when the power goes out, the taps won't work and all the stores have been looted.

This book aims at providing a basic education in emergency prepping and provide an insight into the preppers and survivalists mindset.

You will learn various uses for simple household items and foster the growth of your own creative ideas when it comes to survival.

Topics that will be covered include:

- Prepping
- Home & Self-Defense
- Bugging Out
- Rationing
- Scavenging
- Rebuilding

The 35 items included will cover the basics of:

- Food
- Water
- Shelter
- Communication
- Protection
- Travel
