Return to Tibet: Tibet After the Chinese Occupation Heinrich Harrer

The *New York Times* bestseller *Seven Years in Tibet* told the incredible story of an idyllic life on the roof of the world, before it was destroyed by the invading Chinese army. Now, in the extraordinary *Return to Tibet*, Austrian adventurer Heinrich Harrer revisits the people and places he left behind. A compelling mix of history, religion, and travel writing, his book bears witness to the suffering and perseverance of this ancient civilization under Chinese rule. Against a backdrop of ruined monasteries and the beautiful, mysterious Himalayas, Harrer vividly evokes both a free Tibet in which religion and faith were central features of daily life, and the present-day occupied nation from which a profoundly spiritual culture threatens to disappear. He reflects on the country's problems and in a reunion with his former pupil, the Dalai Lama, discusses ways of preserving the Tibetans' national character and their homeland. Like *Seven Years in Tibet*, this is a timeless story of Eastern culture that beckons readers to a land of majestic mountains and a religion that has endured for a thousand years.
