Slim Dusty was and still is a memorable country music artist. Legally I can not use Lyrics or Music because of Copyright but I can use song titles and due to the nature of my books; legally I must place a Reference (exactly as it is down loaded) and Bibliography in the back of the book. I have not attempted to plagiarize or disregard anyone's copyright by the use of the picture and the actual cover picture used was legally obtained at the time by the original publisher of this book and is mentioned in the bibliography. So by using 1,644 of his song titles (Italicized) as well as some from his family and friends; I have written the short story about young American male, hitch hiking through Australia via the outback. He is given a lift by the old Australian Travelling Showman. Somehow the Australian Bushman seems to know what is troubling the young man, Duncan and introduces him to people who help him try to understand his past. With this help along the way, Duncan begins to unravel his dreams and life in unusual ways.
