The Bear in the Attic

Patrick F. McManus

The Bear in the Attic Patrick F. McManus

Now in paperback, the beloved humorist's latest and funniest collection of essays ever?"McManus at his curmudgeonly best" (*Spokane Spokesman-Review*)

Patrick F. McManus's wry wit has made him an American classic, his trademark outdoorsman's humor endearing him not only to fellow wilderness enthusiasts but to anyone who enjoys a good laugh. In his newest collection of hilarious essays, he ponders the strange allure of the RV, a thirtieth-century hunting trip, the art of wrestling toads, the existential implications of being lost, the baffling tendency of animals to outsmart hunters, the singular pleasure of doubling the size of every fish that gets away, and what happens when a bear named Pooky decides to hibernate in the attic.

Combining the curmudgeonly voice of Dave Barry and the clever insights of Garrison Keillor with his own keen sense of the absurd, McManus brilliantly captures the funny and strange in our everyday existence, while managing to evoke a childlike wonder at the natural world.
