Becca Knight can't settle on planet Bayroni: she feels as trapped as she did back on Earth. Escape seems like the only option--until she finds herself face-to-face with a brutal gang of kidnappers...

Ruvne Terestron's tragic past means he hasn't felt anything for a very long time. Which doesn't bother him--being a member of Drawai's fearsome crew is not for anyone with a heart or conscience.

Dangerous and savage, Ruvne is everything Becca knows she should despise. But she can't help but be drawn to the sinfully sexy alien. And he may be the only one who can save her.

Alien Savage is a standalone romance novella in the Intergalactic Mates series.
