Love is everything but expected.

Eden Monro came to California for a summer of sun, sand and celebrities – what better way to forget about the drama back home? Until she meets her new family of strangers: a dad she hasn't seen in three years, a stepmonster and three stepbrothers.

Eden gets her own room in her dad's fancy house in Santa Monica. A room right next door to her oldest stepbrother, Tyler Bruce. Whom she cannot stand. He's got angry green eyes and ego bigger than a Beverly Hills mansion. She's never felt such intense dislike for someone. But the two are constantly thrown together as his group of friends pull her into their world of rule-breaking, partying and pier-hanging.

And the more she tries to understand what makes Tyler burn hotter than the California sun, the more Eden finds herself falling for the one person she shouldn't...

Did I Mention I Love You? is the addictive first book in Wattpad sensation Estelle Maskame's DIMILY trilogy: three unforgettable summers of secrets, heartbreak and forbidden romance.
