Don't Let the Republican Drive the Bus!: A Parody for Voters

Erich Origen, Gan Golan

Don't Let the Republican Drive the Bus!: A Parody for Voters Erich Origen, Gan Golan

From the satirical masterminds behind the *New York Times* best-seller *Goodnight Bush* (more than 125,000 copies sold) comes this scathingly funny political parody of the contemporary children's classic *Don't Let the Pigeon Drive the Bus!*

As any left-leaning parent of small children will tell you, these days it seems like the Republican Party is taking its tactical and ideological cues from a screaming, mid-tantrum toddler. That's certainly how authors Erich Origen and Gan Golan feel: The parallel came into sharp relief as they read the beloved picture book *Don't Let Pigeon Drive the Bus!* to their own children. In this wildly funny (and uncannily spot-on) spoof, Origen and Golan take on the Republican political machine, represented here by a cartoonish, hyper-conservative vulture, who wants nothing more than to drive the bus (even though he secretly hates public transit); give rides to his top hat-wearing, white male cronies; and run over as many "socialists," environmentalists, and public employees as he can find.

Timed to coincide with the 2012 presidential election, this witty and hilarious satire turns over-the-top Republican antics into fun-loving political child's play. But, like most children's books and their parodies, it also comes with a liberal dose of warning if we, the reader (...and the people), don't heed the call: If you don't want to get thrown under it, then please...Don't Let the Republican Drive the Bus!
