Book 1 of the New York Times & USA Today Bestselling Harmony series.

After experiencing a humiliating breakup, twenty-two-year-old Cassandra Clarke is fresh out of college and living a simple solitary life without any intentions of pursuing love anytime soon.

When the estate next door sells, the last thing Cassandra expects is the unnerving attraction she feels for her sinfully handsome neighbor, Logan West, the young and charming single father with a playboy reputation.

It's through Oliver, Logan's four-year-old son, who keeps popping up in her childhood tree house, that she slowly begins to catch glimpses of the compassionate and wounded man Logan has hidden beneath his strong exterior.

Cassandra knows it's wrong and that she's heading for another heartbreak.  
Logan will never be able to give her what she wants...love.
