**Tension-Type And Cervicogenic Headache: Pathophysiology, Diagnosis, And Management (Contemporary Issues in Physical Therapy and Rehabilitation Medicine)** César Fernández-de-las-Peñas, Lars Arendt-Nielsen, Robert D. Gerwin

This is the first book for the new Series Contemporary Issues in Physical Therapy and Rehabilitation Medicine. This textbook will assess both clinical and research aspects of the diagnosis and management of two highly prevalent headache disorders: tension-type and cervicogenic headaches. This textbook will cover both physical therapy and physical medicine approaches to the management of these headache disorders.
