The Girl From Long Guyland Lara Reznik

Achieved #1 in both mystery / suspense and women's fiction during Amazon Kindle promotions.

MEMOIR MEETS THRILLER: Set against a 1969 psychedelic love-in backdrop, *The Girl From Long Guyland* is shared through the eyes of Laila Levin when decades later, an unsolved murder pulls her reluctantly into her past. A dramatic collision of then and now -- entwining family, marriage, profession and ethics.

Laila enjoys a successful marriage and a thriving career as an I.T. executive in Austin, Texas, but she can't quite shake her lifelong sense of not truly belonging anywhere.

When her company announces a major layoff, Laila finds herself caught between an unscrupulous CEO and her promiscuous boss. Then news of her college roommate's suicide stirs up a dark secret involving three devious friends from her past. One has betrayed a vow, another wants to rekindle their romance, and the third is out for revenge.

Suddenly for Laila, it's 1969 again. She's only seventeen, and she's left her sheltered home in Long Island for college in Connecticut. Amid protests of the Vietnam War, she's tempted by the sex, drugs, and rock 'n' roll that rule her generation. Laila gets swept up in a deceptive love triangle with two older locals and initiated into their unethical hippie family. Too late she realizes her search to belong has led to tragedy.

Laila must now juggle the demands of her perplexed husband and her baby boomer past forcing her to make choices that endanger her survival and challenge her conscience.

She learns that the lines between right and wrong are often blurred, and sometimes you have to risk everything to be true to yourself.
