Bangkok is one of the most exciting cities in the world, the Venice of the East, Asia's City of Sin, it has much to offer from its delicious and plentiful food to its rich cultural history and bustling street life, and of course its abundance of beautiful women. In the past to find out how to get around Bangkok on a budget and enjoy its many salacious wonders you would need to buy your respectable guide that would tell you where to get the best Pad Thai and when all the temples opened and then consult unconvincing three year old online guides to meeting Thai girls.

With the Bangkok City Guide you get all the information you need to get the most out of your trip to Bangkok. With wit, insight and street smarts you will be shown how to stay and visit Bangkok on a low budget while seeing the sites, whether that be the majestic Golden Palace or the majestic Go-go girls of Soi Cowboy.
