This practical, helpful resource is especially designed to help new and growing Christians become effective disciples/warriors of Christ, and is built entirely on the Story of God as told in the Scriptures. Following the thematic outline of Ephesians, this lesson guide helps believers understand what the Bible says about the key dimensions of our participation in God's grand Story in nine integrated lessons. These studies lay out the key elements in how we fulfill our role in God's Story, allowing students to grow as disciples of Christ as they are grounded in the basics of the Christian faith and walk. This resource serves as our official precursor to TUMI's Capstone Curriculum seminary training, providing a solid introduction to the Bible's major themes as well as the foundational principles of Christian discipleship.
