Quarterback Bait (A Stepbrother Romance) Celia Loren

I wanted to bite her perfect lips, suck on her perfect tits, and take her beautiful body for myself...but then I found out she was only seventeen. I'm the University of Texas' star quarterback, favored first round draft pick for the Denver Broncos, and a living f*cking legend—the last thing I need right now is a piece of jailbait with a sh*t ton of baggage. But I can't get her out of my mind. I can't shake the feeling of pure unapologetic thirst for her body. She's not like the typical jersey-chasing sluts and super models that keep the football team entertained between games...she's smart, infuriating, independent...a pretty young thing with a dark past and bright future. She tries to act tough, but I know she's scared. She tries to act confident, but I know she's insecure. She tries to act bad, but deep down I know she's as pure as an angel. Nothing will stop me from getting to her—not my team, not my friends, not even the fact that our parents are getting married. And when she finally meets the beast between my legs, she'll really know what it's like to be bad. This contemporary new adult sports romance novel contains sexual content and offensive language. Full-length, no cliff-hanger.
