Why Does Izzy Cover Her Ears? Dealing with Sensory Overload Jennifer Veenendall

Meet Izzy, a feisty first grader, whose behavior is often misunderstood as she tries to cope with sensory overload in her new surroundings. This brightly illustrated book creates an environment that is accepting of students with sensory modulation difficulties, including many on the autism spectrum. It's a great resource for occupational therapists, teachers, and parents to share with children. Resources for adults at the end of the book include definitions of sensory processing and sensory modulation disorder, suggested discussion questions, and lists of related books and websites.
