## Co-authoring a Novel?

***“Collaboration has no room for competition or jealousy” – Ora Rosalin***

Co-authoring a novel can be a difficult chore, yet these simple steps can make it easier to get through. For instance, how to become one with your co-author and end up writing the **best story** of your career. This is something my sister and I do with almost all of our books.

We divide chapters and edit like crazy, trying to make sure that the final product is truly ready for publishing. And, yes, this *may* be a difficult style of writing for you if this is your first partnership. But don't worry, we'll get you through it!

- Read how to pick the best co-author for your style of writing.
- Choose the order in which you write your story with your co-author and make sure you're compatible.
- See examples of contracts to enter into when you first start your co-author business.

Finding the perfect co-author can take months. Writing a book with them can take an additional year! The whole process from start to finish usually will take anywhere from three months to a year and one-half. Hopefully this book will help you along the way. We've researched key tips to make your journey easier.

### **What You Need?**

You'll need to be open to working with a partner, and make sure their style of writing enhances your creativity. Work out disagreements with our easy to follow tips.

## Why Co-authoring?

Your workload will be cut in half with a co-author.

You'll be able to focus on marketing and social media in order to sell more books. You'll feel more comfortable with your co-author, allowing your imagination and writing skills to grow and develop.
