Taking Hold of Torah: Jewish Commitment and Community in America (Helen and Martin Schwartz Lectures in Jewish Studies) Arnold M Eisen

Jews, like other Americans, have both benefited and suffered from the fraying of traditional loyalties that has come to characterize modern American culture. In *Taking Hold of Torah* Arnold M. Eisen offers a personal plea for - and a vision of - the revitalizing of American Judaism through a renewed relationship to Jewish tradition and the strengthening of Jewish communities. Drawing from the author's own experience both as a scholar of modern Judaism and as a modern American Jew, each of the five chapters in the book examines a major issue or theme related to this vision of renewal - in terms of one of the five books of the Torah. This encouraging work is essential reading for anyone concerned with issues of Jewish faith and the future of Judaism in America.
