In *Women of the Right*, Kathleen M. Blee and Sandra McGee Deutsch bring together a groundbreaking collection of essays examining women in right-wing politics across the world, from the early twentieth-century white Afrikaner movement in South Africa to the supporters of Sarah Palin today. The volume introduces a truly global perspective on how women matter in the national and transnational links and exchanges of rightist politics. Suitable for classroom use, it sets a new agenda for scholarship on women on the right.
