Jerry W Cooney, Thomas Whigham

A Guide to Collections on Paraguay in the United States (Reference Guides to Archival and Manuscript Sources in World History) Jerry W Cooney, Thomas Whigham

This volume provides the researcher with an excellent tool for investigating the history, politics, and culture of Paraguay. Although various libraries, museums, and archives in the U.S. contain documentary collections of interest to Paraguayanists, they are little known and thus underutilized. Whigham and Cooney help correct this problem. Not only do they describe the most famous collections in such libraries as the University of Texas at Austin, the Library of Congress, and the Oliveira Lima Library at Catholic University, they have also uncovered some obscure materials. From the Museum of Russian Culture in San Francisco to the Mennonite Archives at Bethel College in Kansas, they have run the gamut of available resources.

This guide discusses diplomatic correspondence, genealogical materials, missionary records, political reports, and unpublished personal reminiscences. The authors also offer hints and advice on working in the various repositories and suggest research themes that might be developed using particular collections. An attractive format and a thorough subject index make this volume easy to use as well as informative.

Anna Yates:

Is it you who having spare time then spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This A Guide to Collections on Paraguay in the United States (Reference Guides to Archival and Manuscript Sources in World History) can be the response, oh how comes? A book you know. You are consequently out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

James Helm:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A Guide to Collections on Paraguay in the United States (Reference Guides to Archival and Manuscript Sources in World History) can make you really feel more interested to read.

Thomas Baxter:
