Twelve years have elapsed since the period at which the third part of the Narrative of the Lord's dealings with me closes. It has not been for want of matter, that this fourth part has not appeared sooner; but the increased and ever increasing variety of other occupations has kept me hitherto from arranging the materials for the press. Of late, however, I have judged, for the following reasons, that I ought particularly to give myself to this service.

The plan on which I have thought it best to bring the materials before the reader is, to relate in distinct periodical chapters: a, How I have been provided, simply in answer to prayer, with means for the support of the various schools of the Scriptural Knowledge Institution, for the circulation of the Holy Scriptures and Gospel Tracts and for the aiding of Missionary work. b, How I have obtained means for the support of the hundreds of Orphans under my care. c, How the Lord has led me to, and provided me with means for, the building of a large Orphan-House, and how I am now occupied in seeking to build a second still larger. d, To state, periodically, a variety of miscellaneous points in connection with the operations of the Scriptural Knowledge Institution, in a separate chapter. To give separately and periodically a chapter, for relating matters connected with my own personal affairs or the work of the Lord in my hands, not immediately connected with the Scriptural Knowledge Institution for Home and Abroad. As, however, the whole book is intended for the spiritual profit of the believing reader, and to show to those who know not God, by His blessing, the reality of the things of God, there will be found interspersed, throughout the book, such practical remarks, as the subjects may seem to call for.
