A Penny For Your Thoughts details Amy Hutchins, an up and coming woman, who woke up late for her first interview since graduating college. She rushed through preparing herself for her big day. She stops at a corner market for a package of 'brush as you go gum'. When she pays for the gum, the cashier drops her change, a dime and a penny. The penny falls to the ground and lands on its edge. Thinking nothing of it, she retrieves the penny, but then hears strange voices explode inside her head. From that moment onward, her life changes in ways she could not imagine.
