Advanced Accounting Debra C. Jeter, Paul Chaney

Intended for a senior level course in advanced accounting taught at many four-year schools, the book's primary objective is to provide a comprehensive treatment of selected topics in a clear and understandable manner. The third edition reflects current issues in advanced accounting, integrates all three alternative recording methods (cost, partial equity, complete equity) for teaching consolidation concepts using worksheet icons and labels to distinguish among the three methods and new, enhanced student pedagogy.
