## **Praise for *From Crisis to Recovery***

"Mr. Doherty has produced an invaluable reference volume for everyone involved in disaster response/disaster preparedness field. It is a must for your library! His attention to detail, breadth of scope, depth of knowledge and readable writing style, reflect the work of an eminent scholar in his field and one who has paid his dues on the frontlines. It represents the ultimate A to Z 'How to Do It' manual in this difficult, complicated field. From the sensitive discussion of clinical issues to the organizational planning details, the clarity and thoroughness of this volume are outstanding. This book should be required reading for everyone involved in this critical field."
