5 Simple Steps to Become a Better Reader Jeffrey McLeod

Reading is essential to many aspects of our lives. We read signs each day as we travel. We read instructions at work or at home, to understand how to use or do things. At the grocery store, at the museum, at just about any place we may visit, it is always important to

be able to read. Of course most of us have a basic knowledge of how to read. At the very least, we know enough to get us through the day. But for some of us, listening to the endless chatter about the current books that are trending can be baffling. Why? Most of us

may know how to read, but we are not all good readers! When reading is difficult for you, it makes reading even the shortest book an unpleasant task. The idea of reading an entire novel in a short span of time seems downright tedious. If this is something that you

struggle with, I have the solution for you. There are a few methods that will awaken your senses, invite your attention, and encourage you to enjoy the words that you are reading, instead of just suffering through them. Here are a few simple steps to help you along your way to becoming an excellent reader.
