HOW TO MASTER THE ENGLISH BIBLE

BY REV. JAMES M. GRAY D.D.

HOW TO MASTER THE ENGLISH BIBLE BY REV. JAMES M. GRAY D.D.

That which follows grows largely out of the writer's personal experience. For the first eight or ten years of my ministry I did not know my English Bible as I should have known it, a fact to which my own spiritual life and the character of my pulpit ministrations bore depressing witness. [Side note: The Bible in the Seminary] Nor was I so fortunate as to meet with more than one or two brethren in the ministry who knew their English Bible very much better than I knew mine. They all declared that the theological seminaries did not profess to teach the English Bible. They taught much about the Bible of great importance for ministers to know, such as the Hebrew and Greek tongues, the principles of exegesis and interpretation, the history of the text, and the proofs and illustrations of Christian doctrine; but, in the words of one of the ministers referred to (which have appeared in print), "while we had some special lessons in one or two of the epistles, several of the psalms, in some of the prophecies, and in a few select portions of the gospels, other and vastly important parts of the Bible were left out altogether. We had nothing on the book of Revelation, no elaborate study of the Mosaic ritual and its profound system of types, and especially were we left uninitiated into the minute and wonderful co-ordination of parts in the various books of the Old and New Testaments, which disclose a stupendous divine plan running through the whole, linking them all together as an indissoluble unit and carrying with them an amazing power of conviction."
