When love is the prize, everyone wins. For the past six years, Jason Hofstadter has attended the Four States Annual Scrabble Tournament. Jason comes to the Four States for two reasons—to play Scrabble and to get laid. Every year since his first, he has managed to hook up with one of the other players for some sexual fun. This year he has a chance at the grand prize in the tournament. Meanwhile, he figures he has hit the jackpot when he spots handsome, bookish Matt Sawyer, who's competing at the Four States for the first time.

Shy and seemingly innocent, Matt turns out to be full of surprises. First, he jumps Jason in the rest room at Starbucks. Then he reveals that he's into BDSM and encourages Jason to experiment with topping him. Finally, despite his lack of experience with tournament play, Matt ends up competing with Jason in the semi-final round. When Matt throws the game he should have won, Jason is forced to confront his own feelings—about winning, about casual sex, and about Matt.
