The Flame Moon series is intended for mature audiences. There is violence, sexual situations, and language that isn't so polite.

Skye Walters thought waking up on the side of a river with no memory was her biggest problem. She had no idea that the man who had saved her from drowning, the man she now depended on, Aiden, was more than mere mortal. A warrior of ancient.

No memory, nowhere to go, Skye stays in the mountain town, only to discover she herself, has unexplained powers. Her life, her destiny, are soon out of her control, as are her feelings for Aiden. The deeper Skye gets sucked into Aiden's hidden world, the more the past, and who she really is, threatens her future, her love, her sanity.
