Me?

A leader?

Okay, I *did* prove that there's more to Inside than we knew.

That a whole world exists beyond this cube we live in. And finding that led to a major rebellion—between worker scrubs like me and the snobby uppers who rule our world. Make that *ruled*. Because of me, we're free. I thought that meant I was off the hook, and could go off on my own again—while still touching base with Riley, of course. He's the one upper I think I can trust. But then we learned that there's outside and then there is *Outside*.

And something from Outside wants In.
