In war, everyone loses... Reaper Lana Harvey is finding out the hard way. When Jenni Fang recruits her for a special mission, the biggest victory over the rebels is tainted by a crushing and immediate reprisal. The rebels have a new general working in the shadows of Limbo City, luring gods, reapers, demons, and souls to the dark side. The Afterlife Council's orders to locate the new rebel base are overshadowed by a desperate and mysterious plea from Grim to find the abducted Greek god of sleep, Hypnos. Where Lana and Jenni find one, they hope to find the other. But some discoveries have a way of bringing one to their knees.
