Sociology of Religion: A Reader Susanne C. Monahan, William A. Mirola, Michael O. Emerson

This collection of articles explores the relationship between the structure and culture of religion and various aspects of social life in the United States. Based on both classic and contemporary research in the sociology of religion, it highlights a variety of research methods and theoretical approaches in exploring the ways in which religious values, beliefs and practices shape the world *outside* of church, synagogue, or mosque walls while simultaneously being shaped *by* the non-religious forces operating in that world. Many readings from drawn popular sources--e.g., newspapers and magazines--and although many of the readings are about religion in the Christian tradition, there are also readings about religion outside the American context (e.g., Poland, England, El Salvador, Nicaragua), and beyond the Christian tradition (e.g., Judaism, alternative religions, Hindu traditions). Classic Sociological Definitions Of Religion; Belief And Ritual; Religious Experience; Race, Ethnicity And Religion; Gender And Religion; Social Class And Religion; Sexual Identity And Religion; The Secularization Debate; Religious Organizations, Institutions And Authority; Alternative Religions; Media And Religion; Politics And Religion; Science And Religion; Social Movements And Religion. For anyone interested in the sociology of religion or religious perspectives on social issues.
