The Bible Teacher's Guide: Building Foundations for a Godly Marriage: A Pre-Marriage, Marriage Counseling Study Gregory Brown

Building Foundations for a Godly Marriage can be used as an eight-week small group study on marriage, a pre-marital or marital counseling curriculum, or simply to help one have a deeper understanding of marriage. “Expositional, theological, and candidly practical! I highly recommend The Bible Teacher’s Guide for anyone seeking to better understand or teach God’s Word.” —Dr. Young–Gil Kim, Founding President of Handong Global University “Greg Brown's The Bible Teacher's Guide is thorough, scholarly enough to explain the text, clear, and practical. He treats difficult verses fairly and with helpful explanations (unlike many commentaries that skip the explanation right where you want it!). This study could be used by pastors as an aid for sermon preparation, by small group leaders, or by any believer who wants to understand and apply God's Word personally. I can't imagine any student of Scripture not benefiting by this work.” —Steven J. Cole, Pastor, Flagstaff Christian Fellowship, Author of the Riches from the Word series
