Faiths and Folklore, Vol. 1 of 2: A Dictionary of National Beliefs, Superstitions and Popular Customs, Past and Current, With Their Classical and ... Described and Illustrated (Classic Reprint) W. Carew Hazlitt

Excerpt from Faiths and Folklore, Vol. 1 of 2: A Dictionary of National Beliefs, Superstitions and Popular Customs, Past and Current, With Their Classical and Foreign Analogues, Described and Illustrated

It is very rarely indeed that a book on Popular Antiquities or any other analogous topic so commends itself to the public, and so maintains its rank and estimation, as to continue to be the recognised source of reference in successive editions during more than a century and a half.

The present work, from its first appearance under the auspices of the Rev. Henry Bourne in 1725, and under the title of *Antiquitates Vulgares*, has so largely and essentially partaken of the anecdotal character, and so much depends on detail, not only for the confirmation of statements, but for the maintenance of interest, that an Editor, whatever he may do in the withdrawal of positive redundancies, is scarcely able to emulate the judicial conciseness of Buckle in his *History of Civilization* or the rhetorical and imposing periods of Macaulay. A compiler of a picture of Ancient Manners and Opinions on a documentary and lexicographical principle or basis, besides a bare statement of facts, has, as it were, to call witnesses, and record their depositions for the benefit of the reader. His personal views and experience are apt to be of service in chief measure in the choice of authorities and in the arrangement of evidence. Much of the charm in a book of the present class must necessarily lie in more or less copious and varied illustration, and its value and use would be impaired by lending to it the character of a summary or digest. The reader in this case prefers to form his own conclusions, and to linger over descriptive passages.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
