Translation (The New Critical Idiom)

Susan Bassnett

Translation (The New Critical Idiom) Susan Bassnett

In a time when millions travel around the planet; some by choice, some driven by economic or political exile, translation of the written and spoken word is of ever increasing importance. This guide presents readers with an accessible and engaging introduction to the valuable position translation holds within literature and society.

Leading translation theorist, Susan Bassnett traces the history of translation, examining the ways translation is currently utilised as a burgeoning interdisciplinary activity and considers more recent research into developing technologies and new media forms.

Translation displays the importance of translation across disciplines, and is essential reading for students and scholars of translation, literary studies, globalisation studies, and ancient and modern languages.
