At the start of your career or at the end of your rope...or somewhere in between, discipline is the #1 concern of educators throughout the world and the single issue that can undermine even the best instructional techniques. This book has answers: practical and effective techniques to build classroom environments and relationships in which the majority of student behavior is cooperative and on-task and the majority of your time is actually devoted to instruction!

Dr. Jane Bluestein, best-selling author, international educational speaker, and frequent TV talk-show guest, gives practical and effective instructional techniques to build environments and relationships in which student behavior is cooperative and on-task. Written in an easy-to-understand conversational manner, Dr. Bluestein's book takes the negative out of the word *discipline* and encourages positive classroom interaction!
