If You Need Healing Do These Things Oral Roberts

One of the first books ever written by Oral Roberts, *If You Need Healing, Do These Things* was originally published in 1947 shortly after Roberts began his healing ministry. As a young man dying from tuberculosis, who experienced the healing power of God for himself, Roberts wrote a book that still speaks profoundly to all people who are sick or hurting in some area of their life.

Can God heal? Will He heal me? *If You Need Healing, Do These Things* answers those questions...and more. Written by someone who knows what it is like to lose all hope and to walk the very steps you may be walking right now, *If You Need Healing, Do These Things* is a down-to-earth, practical "handbook" on how to get into position to receive whatever miracle you need from God.
