This handbook brings together a unique collection of primary materials for the Ohio securities law practitioner. It contains Ohio's blue sky law, Chapter 1707, in fully annotated form, as well as provisions in Chapters 1704 and 1701 which relate to tender offers and other securities matters. The annotations include the comments of the drafters of Ohio's original 1929 Securities act, the statute which forms the basis of the current Chapter 1707. Comments prepared by the Ohio State Bar Association Corporation Law Committee are included in connection with more recent amendments drafted by that committee. To further assist in understanding legislative intent, Bill Analyses prepared by the Legislative Service Commission for major securities law amendments since 1978 are included. Also included are selected statutory sections from the criminal provisions of Chapter 2901, and selections from Chapter 3901 which relate to securities law matters for insurance companies.
