Book 2: For Love or Legacy

Nicole Corisi will lose her inheritance if she doesn't find a way around the terms of her father's will, but she will have to partner up with her estranged brother's rival to do it. As pretense becomes painfully real, Nicole will have to choose between Stephan and the family he is driven to destroy.

Stephan Andrade has been planning his revenge ever since Dominic Corisi unscrupulously took over his father's company. With Corisi Enterprises gambling its reputation on the success of a new software network for China, Stephan finally has his chance to take back his legacy. Dominic's younger sister, Nicole, asks Stephan for his help and provides him with an opportunity to exact his revenge on a personal level.

It all goes smoothly until he falls in love.
