A few snippets from Inside:

“When he was about two or three, I had my Son sitting in the cart at the grocery store as I was shopping in the produce section. In walks an old Woman with a cane, an eye patch and a cloth hair covering. My Son started bouncing up and down, pointing and screaming "Mommy! Mommy Look, a Pirate!" I couldn't even look at the Woman, everyone in the area turned to look at us. I was so red faced!”

Lorna, USA

“When my Daughter was five she asked her Granny “How old are you?”

Granny replied “I'm so old I don't remember any more.”

My Daughter advised her “If you don't remember, you must look in the back of your panties. Mine say five to six.””
