The following ten magazine articles begin with six stories compiled from fifteen years and 43,000 miles of dual sporting from Vermont to Tennessee. They will take you from riding the largest state forest system in the US (Bald Eagle's Best and Beech Creek Ride), to what one year in the life of a dedicated dual sporter looks like (Big Dirty Fun), to Pennsylvania's best dual sport roads (PA's 10 Best DS Roads), to interviewing a dealer about his ride across America (Trans-America Trail), and to the joys of dual sporting (Why I Love Dual Sporting).

The second part contains four articles with the first one looking at the latest trend in Thumpers (single-cylinder four strokes) - small bore city/suburban models (Cleveland Cycle Werks) and racing thumpers (Arenacross, Grand National Cross Country), including the latest trend in motorcycling - electric motorcycles (Zero X Enduro).
