Gardens don't need just plants, paths, and walls; they need chairs, benches, cushions, arbors, containers, and artwork, too. But finding and choosing these accessories can be a challenge. *The Professional Designer's Guide to Garden Furnishings* helps you meet the challenge by providing both visual inspiration and practical information about how to choose and where to find just about every kind of accessory a garden might need.

This comprehensive guide includes information on how furnishings are linked to architecture; offers tips and techniques for choosing furnishings based on comfort, scale, and proportion; and provides a survey of sixteen popular styles, including Craftsman, Midcentury Modern, and Contemporary. Vanessa Gardner Nagel, herself a professional garden designer as well as a nationally certified interior designer, also discusses the properties of a wide variety of material choices, including wood, stone, ceramics, concrete, metal, and fabrics. An extensive list of sources rounds out this truly indispensable guide.
