"The Shaping School Culture Fieldbook" provides a variety of sources of information, inspiration, and suggestions and includes more than forty field tested exercises. Each chapter begins with a discussion of the features of culture and the symbolic roles of leaders and is followed by a set of examples that clearly illustrate the ideas. The book is filled with activities. Many are specifically designed as group activities with suggestions for how to organize the session, while others are meant to stimulate reflection and are often posed as questions. Most of the activities are designed to be used in a group setting and the questions provided in the chapters can become topics for dialogue or group brainstorming. This wonderful resource will help school leaders learn how to understand, assess, and transform their school culture for ongoing success.
