Air Transportation: A Management Perspective

John G. Wensveen

Air Transportation: A Management Perspective John G. Wensveen

Air Transportation: A Management Perspective by John Wensveen is a proven textbook that offers a comprehensive introduction to the theory and practice of air transportation management.

In addition to explaining the fundamentals, the book transports the reader to the leading edge of the discipline, using past and present trends to forecast future challenges and opportunities the industry may face, encouraging the reader to really think about the decisions a manager implements. Written in an easy-to-read, easy-to-understand style, the Eighth Edition modernizes the text focusing on newly emerging management trends, innovative technology, and an increased emphasis on global changes in the industry that will change the future of aviation. New and updated material has been added throughout the text including mini case examples and supplemental presentation materials for each chapter.

Air Transportation: A Management Perspective is suitable for almost all aviation programs that feature business and management. Its student-friendly structure and style make it highly suitable for modular courses and distance-learning programs, or for self-directed study and continuing personal professional development.

From reader reviews:

Robert Watts:

Reading a book tends to be new life style with this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. Lots of author can inspire their reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some study before they write to the book. One of them is this Air Transportation: A Management Perspective.

Cheryl Kirkland:

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Air Transportation: A Management Perspective, you can enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.

Shawn Hernandez:

Reading a book for being new life style in this year; every people loves to read a book. When you study a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, as well as soon. The Air Transportation: A Management Perspective will give you new experience in looking at a book.

Kenneth Copeland:

With this era which is the greater man or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you are related is just spending your time not very much but quite enough to get a look at some books. One of the books in the top list in your reading list is Air Transportation: A Management Perspective. This book that is qualified as The Hungry Inclines can get you closer in becoming precious person. By looking upward and review this reserve you can get many advantages.
